

VFW Post 12146 Commanders Newsletter

Comrades,

01 April 2019

As we enter the month of April, the post is positioned to meet the requirements of All State, and All American. Well done to our membership and leadership team in making the milestones for these achievements.

At the April meeting we will close nominations and elect the leadership team for the new VFW year. The election will be followed by the installation of the newly elected and appointed officers. Remember, this is your post. There are several positions available to be filled, and its a great opportunity for you to get involved and infuse our post with your ideas and thoughts.

On April 19, and 20. District 5 will hold its convention in Chiang Mai. Post leadership and interested members are welcome to join us. During this meeting, district officer nominations will be closed followed by elections and installation of the new district officers. This is a great opportunity to join in the Camaraderie and observe the VFW workings at the District level.

Coming in May, the post will once again observe the solemn occasion of Memorial Day. The committee is presently working to firm up the details which will be provided to you in the near future. We will conduct a short memorial ceremony that will be followed by a picnic type lunch.

This month our Post and others throughout the District will be attending the ANZAC ceremony in Kanchanaburi on 25 April, it's a great event and if you are interested in joining us, please let me know. Accommodations are scarce during this event so it's important to book now.

Key dates in April:

13 April 1300: Membership Meeting/Elections

19-20 April: District 5 Convention Chiang Mai

VFW Post 12146 Commanders Newsletter

25 April: Anzac Day Ceremonies Kanchanaburi

Yours in comradeship and service to veterans,

**Jack Farrell
Commander,
VFW Post 12146 Banchang-Utapao, Thailand**
